

Michigan Division of the WNF & GA invites you to...

How I Learned to Stop Worrying & Love Creating Special Events

(with a tip of the hat to Dr. Strangelove)

a Michigan Division-sponsored board & branch member development opportunity - AN INTENSIVE, BUT FUN, HANDS-ON LEARNING EXPERIENCE TO HELP YOU DEVELOP VISION AND ENJOY SUCCESS

A survey taken by participants following Michigan Division's August 2018 board development activity indicated a strong interest in learning how to overcome branch members' reluctance to lead the process of special event organizing. Mary Schwark, a Spanish teacher, as well as the immediate past president of the WNF&GA's Michigan Division & president-elect of the WNF&GA, has never met a special event that she didn't like. She has created & organized a wide variety of happenings since junior high school and is always inventing and figuring out her next projects. She will present valuable information and hands-on experiences for those who believe they have no inkling about how to get from Point A to Point B. Past leaders who may need a jolt to revitalize their creative juices, can also learn new and efficient ways to get things done.
