

Spring Fever has hit! Just a reminder from the Troy Garden Club that the **2025 Perennial Plant Exchange** will be at the Family Aquatic Center parking lot on **Saturday, May 17**, from 10 am-12 pm, rain or shine.

The City of Troy has promised a delivery of compost so bring your containers. Only healthy, non-invasive plants are exchanged so there's no need to bring cash. Mark your calendar and when it warms up enough to garden, be on the lookout for extra plants you can share. Remember to label your plants after placing them in pots or bags.

While you have the calendar handy, add the Troy Garden Club's 50<sup>th</sup> Garden Walk on Wednesday, July 9. Tickets are \$15 in advance and \$18 on Garden Walk day.

See you soon.
